

MEDISKED Multifactor Authentication (MFA)

The image shows two screenshots from the AHRC MediSked system. The left screenshot is the login page, and the right screenshot is the MFA setup screen.

Left Screenshot (Login Page):

- Logo: AHRC Nassau, 55th Anniversary, Fulfilling The Promise
- Text: Welcome
- Text: Enter your password for AHRC Nassau to continue to MediSked Connect
- Input field: etaub@ahrc.org (with an Edit link)
- Input field: Password* (with a visibility toggle)
- Text: Forgot password?
- Button: CONTINUE

Right Screenshot (MFA Setup Screen):

- Text: Keep Your Account Safe
- Text: Add another authentication method.
- Option 1: Notifications via Auth0 Guardian app (marked with a red X)
- Option 2: Other third party authenticator app (marked with a red X)
- Option 3: Phone (marked with a green checkmark)
- Option 4: Security key (marked with a red X)

- During the Medisked login sequence the user will login as normal using their approved email address and password
- The user will then be prompted to choose an MFA option. Select the **Phone** option

MEDISKED Multifactor Authentication (MFA)

- The user will choose the Phone option by clicking the associated blue “ADD” button
- The user will enter, and verify, their phone number as prompted

TURNING ON MFA in MEDISKED

- Upon the next login, the system will send a pin code via text to the phone number provided. The user will be prompted to enter the 6-digit code to complete the login

The image displays two screenshots of the AHRC Nassau login interface, illustrating the Multi-Factor Authentication (MFA) process. Both screenshots feature the AHRC Nassau logo at the top, which includes the text "Over 55 Years" and "Fulfilling The Promise".

The first screenshot, titled "Welcome", prompts the user to "Enter your password for AHRC Nassau to continue to MediSked Connect". It shows a login form with the email address "etaub@ahrc.org" and a password field. A "Forgot password?" link is visible below the password field. A dark blue "CONTINUE" button is at the bottom.

The second screenshot, titled "Verify Your Identity", indicates that a text message has been sent. It shows a masked input field for the received code (displayed as "XXXXXXXX") and a "Enter the 6-digit code*" input field. A dark blue "Continue" button is at the bottom. Below the button, there are links for "Didn't receive a code? Resend or get a call" and "Try another method".
